Stuff you can do

This font family is freeware and can be used for personal and commercial works.

A) Desktop Usage

You may install the fonts at a home or business location on an unlimited number of workstations. This includes, but is not limited to, using the fonts on printed/physical products, for the creation of logos, designed marketing materials, static interfaces, video titles/subtitles/graphics, across any industry.

You also may give a copy of the fonts to any service provider which you hire to output your film, paper or color proofs, provided that they do not use the fonts for any purpose other than outputting your work. They may keep the font on file for use with future jobs on your behalf.

B) Webfont Usage

You may use the webfont files to provide temporary, non-installable, user/visitor access to experience the rendered fonts. This includes no limit on the number of visitors/page views or the number of websites. The webfonts may only be installed on website domains that are under your direct control.

C) App / E-Book / Game Usage

The fonts may be embedded in applications, e-books and games, for interface/design/entertainment/experience purposes only. The fonts may not be bundled and/or re-sold as a “font pack” or “font add-on” or anything similar that constitutes profiting from the font through an additional sale, whether it is a one-time fee or subscription service.

Stuff you cannot do

- ☞ You may not sell this font without permission.
- ☞ You may not redistribute this font without permission.
- ☞ You may not modify, adapt, translate, reverse engineer, decompile, disassemble or create derivative works based on this font.
